M. S. A. NOTES. After unavoidably missing a week, I will try to inform the people concerning our good work.

We are still on the progressive list and hope to continue in the lead. Qur work being all academic and divi-Henry Statler says coon fur is no ded between two able instructors we get value received for our money. We had a Social the other night at the

Marble Hill courthouse, which was grand success, so say the boys. Prof. W. A. Davault preached at Glen Allen last Sunday.

Messrs. H. S. Murdoch, Joseph Abernathy and Adam Lincoln and Mrs. Jonnson visited us since our last writing Fred Wilferth and Tilton Neiswanger made a flying trip to Glen Allen Saturday on special business.

Mrs. Hendershot's music class is progressing nicely. We are going to organize a class in vocal music soon. We feel that we can-

not afford to miss the opportunity at hand as Professor Hendershot is an excellent teacher. A cordial invitation is extended to all

to visit us and be convinced that our work is complete in every respect. LUTESVILLE PUBLIC SCHOOL.

The following is the report for the month ending Oct. 25, 1901: attendance by all pupils for the month, 2080; average daily attendance, 101 11-20; number of volumes in Library, 222; number of pupils

using Library, 90. During the month an examination was held in the Principal's room. So far as the examination papers have been inspected, fairly good grades were made by all pupils. Pupils are doing excellent work and their close application in the school room has had a telling effect, especially in mathematics. Along this line we would be willing to measure the Lutesville school

of work done. Parents, please continue in the next few months as you have in the past two, to have your children attend regularly, and we will do our

count, as will be seen by our daily Jackson Herald:

There has been much criticism by the newspapers, at home and in the surrounding counties, of the conditions prevailing during the Cape Fair. Gamblers, pickpockets and immoral resorts of different kinds are said to have been very much in evidence. If the Fair Association expects the patronage of the moral element, of people who feel it an incumbent daty to keep their chil dren away from such immoral company and surroundings, they will be very much mistaken. We agree with a number of our exchanges; better have no fair than to have it under such contaminating influence

John W. Fernow was chatting with some boys about the court house Saturday evening, when the subject of matrimony came up, and Mr. Fernow declared he would get married if he could find anyone who would have him. A young lady standing near replied that he didn't have to wait on that account; that she would be glad to accept his proposition. Whereupon he immediately secured the license and
